

East Greenwich Cemetery

Pre-Planning Checklist

Make the decision once. Protect your family forever.

Use this checklist to organize your decisions, reduce stress for your family, and ensure your wishes are clearly understood and respected.

1. Personal Decisions

- Burial or cremation preference
- Preferred cemetery and location
- Specific section or type of lot
- Desire to be placed near spouse or family
- Written documentation of wishes

2. Lot Selection

- Single lot (individual)
- Companion lot (side-by-side)
- Family plot (multiple spaces)
- Visited and reviewed available locations
- Understand availability may change
- Reserved or secured preferred space

3. Financial Planning

- Understand current pricing vs future cost increases
- Locked in pricing where possible
- Funds set aside or payment plan arranged
- Family aware of financial arrangements

4. Service Preparation

- Selected funeral home (if applicable)
- Understand burial process and timing

- Considered grave opening and service logistics
- Family knows who to contact

5. Family Communication

- Discussed decisions with spouse/children
- Important documents are accessible
- Reduced guesswork for loved ones
- Instructions are clearly written

6. Final Review

- Wishes are clearly documented
- Burial space is secured
- Family understands next steps
- Emotional and financial burden reduced

Take the Next Step

If you have not completed this checklist, now is the time to act. Planning ahead gives your family clarity, reduces stress, and ensures your wishes are honored.
